GOVERNMENT OF BOMBAY

PUBLIC WORKS DEPARTMENT.

Circular Memorandum No. 3728/36.

Bombay Castle, 13th July 1939.

GOVERNMENT CIRCULAR MEMORANDUM.

The qualification required in the ~~xxx~~ case of recruits for admission to the Bombay Subordinate Engineering Service is the Diploma Course of the College of Engineering, Poona, or the equivalent or higher tests of other recognised Engineering Colleges or a degree ~~xxx~~ in Engineering of any recognised University- vide paragraph 2 of Government Resolution Public Works Department, No. 1712/27, dated the 15th August 1929.

2. Persons already serving in the Department as Supervisors or Overseers on the temporary or work-charged establishments who are -deserving and suitable, are eligible for appointment to the Bombay Subordinate Engineering Service, though they may not have the abovementioned qualifications, provided that they have obtained sufficient experience and knowledge of Public Works Department procedure etc.. Draftsmen and Assistant Draftsman are not eligible for appointment to the Bombay Subordinate Engineering Service unless they possess the qualifications mentioned in paragraph 1 above and are considered particularly suitable for an appointment in ~~that~~ Service- vide paragraph 3 of Government Resolution No. 1712/27, dated the 15th August 1929, and paragraph 1 of Government Resolution No. 1712/27, dated the 10th January 1930.

3. With reference to the provisions referred to in paragraph 2 above the Superintending Engineers are informed ~~that~~ in future the ~~xxx~~ prior sanction of Government should be obtained in respect of appointments to the Bombay Subordinate Engineering Service of persons with practical experience, but who do not possess the academical qualifications mentioned in paragraph 1 above and when submitting such applications full justification for the proposed appointments should be given.

By order of the Governor of Bombay,

Letter.

No. G. 52/6178
Public Works Department,
Bombay, 22nd June 1944.

To

The Secretary to Government,
Public Works Department, Bombay.

Subject:- Promotion of temporary Overseer to the Subor-
dinate Service of Engineers.

I forward herewith for favourable consideration an applica-
tion dated 8th May 1944 from Mr. B.S. Tripathi, an un-quali-
fied temporary Overseer received under endorsement No. A.
4269 dated 13th May 1944, from the Executive Engineer, Kaira
& Panch Mls. Dn. requesting that he may be appointed to the
Subordinate Service of Engineers.

2. Mr. Tripathi is a Matriculate and was first appointed to ~~Govt~~
Government service as a karkun in the Ahmedabad Division on 1st
January 1930. He was promoted to a Maistry's post on 21st June
1936 and worked as such till 25th December 1936. During these years
~~as~~ he was employed on maintenance of irrigation works, drainage
channels and buildings and in preparing plans and estimates and
survey work.

3. In December 1936 when there was scarcity in the Panch Mahals
and Overseers were required to manage the works opened there for
relieving distress, the then Superintending Engineer enquired
of the Executive Engineers in this Circle whether any of their
worked charged Overseers or Inspectors would be willing to work
in the Panch Mahals and they were informed that their work in
the Panch Mahals if found satisfactory would be considered while
filling up vacancies in the regular Temporary Establishment and
.....
the Bombay.....

the Bombay Subordinate Engineering Service.

4. Mr. Tripathi~~xx~~ volunteered for service in the Panch Mahals and was appointed temporary Overseer on Rs. 54/- p.m. from 26th December 1936. After the closure of scarcity works he continued to work as temporary Overseer on works of constructing roads and tanks till 5th April 1941. When the Dohad (now Godhra) Village Water Supply Sub-Division was opened and since then he has been attached to this Sub-division.

5. Mr. Tripathi has earned good reports from the~~xxx~~ officers under whom he has served. The Executive Engineer, Raichur and Panch Mahals Division in forwarding Mr. Tripathi's application for sympathetic consideration states that he has acquired good theoretical knowledge and practical experience of P.W.D. works, that he is intelligent, hard working and above average in executing and designing, and that he is found more efficient than some other qualified Overseers. He is also reported to be fully capable of doing the work of a qualified Overseer and is able to prepare plans and estimates, make designs etc.

6. This seems to be a fit case for appointment to the Subordinate Service of Engineers under paras 2 and 3 of Government Circular Memo: No. 3728/36 dated 13th July 1939 and I would recommend that Mr. Tripathi may kindly be appointed to that service as there is a vacancy in it in this Circle. Mr. Tripathi's present pay is Rs. 74/-p.m. plus 20% Special Pay as sanctioned in Government Memo: P.W.D. No. 3930/36-E dated 20-6-41 and his date of birth 28th May 1911.

Sd/-

Superintending Engineer, N.C.

No. 3728/36.

P.W.D.

E.S. (II)

Submitted.

2. The S.E., N.C.'s letter overpage is self explanatory. Mr. Tripathi, temporary Overseer, has passed the Matriculation Examination. He has obtained a Proficiency Certificate and a Diploma of the International Correspondence School Ltd. and the British India Technical College respectively by taking their correspondence courses. There are not the recognised qualifications for appointment to the S.S.E., He is therefore a non-qualified Overseer, and it is necessary to relax the prescribed educational qualifications in his case for the purpose of his appointment.....

appointment to the S.S.E.,

3. Mr. Tripathi was first appointed to Government service on the 1-1-1930. At that time he was 18 years 7 months and 5 days old his date of birth being 28-5-1911. He was therefore within the prescribed age limit at that time.

4. Please see G.C.M. No. 3728/36, dated the 13-7-1939. It is for consideration whether in view of Mr. Tripathi's long experience in this Department as noted in the margin and in view of paras 5 and 6 of The S.E.'s letter overpage the prescribed educational qualifications may be relaxed in his case for the purpose of his appointment to the S.S.E., and his appointment as pt. Overseer may be approved. If so, The draft put up may issue after nor the to the P.& S.D.
